

## Journalism 133 Group Activities Form

Use this form to specify the different activities you and your fellow group members performed in putting together your story package for the assignment you've just completed. Under "This Assignment," please fill in the name of the assignment you were given (i.e. Accuracy, Readability, Story Ideas, etc.). Under "Activities you performed" and "Activities he/she performed," please be as specific and honest as possible. Activities should include things like interviewing, copy editing or any other function involved in putting the given assignment together. Save the form and email it to me when completed.
