

# Sidebar Stories

- Secondary story; expands on aspect of a major story
- Shorter than main story
- Usually appears near main story (or linked to it)
- Related but separate:
  - Can explain more about an element of main story
  - Can be profile of person/agency in main story
  - Can present a different angle or opposing view
  - Can provide important but secondary information
- Should supplement main story
- Should be able to stand on its own as a story
